Haulmark ALX Open Car Trailer

The open car trailer model HAC079 ranges in length from 14' to 24'. It has a width of 8' or 8'6" depending on the length of the trailer. The HAC079 rides on tandem Dexter Torflex® axles with EZ-Lube Hubs and Electric Brakes. It also features stainless steel swivel D-Rings, removable fenders and ramps (2) that store underneath the trailer. Ask about the Power Tilt option that eliminates the need for rear ramps.

HA077

You couldn't ask for a more reliable sidekick than the HA054 open ATV trailer. It's a compact design that makes it easy to tow and it comes standard with a convenient folding ramp. The extruded aluminum floor and all LED lighting provide enhanced safety. In addition to hauling ATV's, the HA054 is great for hauling motorcycles, riding lawn mowers and other "can't do without" gear. Value comes in all sizes and the HA054 packs a lot of utility in a small footprint.
