Stacker Series - 8.5' wide models

Model shown features optional equipment available at additional charge.

BUILT STRONG FOR THE PROFESSIONAL

Take a look at Haulmark's Stacker trailers, designed for the motorsports professional and serious recreational enthusiast. Not only are Haulmark stacker trailers large enough to haul multiple vehicles, from motorcycles to stock cars, but they have enough storage space for spare parts, tools and diagnostic equipment. The Stacker is available as a bumper pull in lengths 24' - 34' and as a gooseneck in lengths between 36' - 50'.
